

RATO GB680

23HP
Petrol Engine
2 Years Warranty

This 23hp Electric Start Petrol Engine features a compact design and has the power and torque needed for larger machines for farming and industry. With a full commercial construction including cast iron cylinder liners, this is a rugged engine built to take on the hardest jobs and earn you money year after year.

ZS Power engines are manufactured in Zongshen's state of the art factory using world standard quality systems and top quality components. We know quality and durability are important and all ZS power engines have a cast iron liner and full commercial construction. ZS Power Engines carry a 2 year warranty for complete peace of mind.

Quality and durability are nothing without support. We carry spare parts and give an industry leading 2 year warranty on design, assembly and materials to ensure you get simply the very best support, whenever you need it.

These robust V Twin engines are perfect for diggers, small skid steer loaders, compressors and grain augers. The uses are endless.

GB680 engines are available in most common PTO shaft designs. Please see the spec sheet for details.

Specifications

Model	GB680
Bore & Stroke (mm)	78×71
Displacement (cc)	679
Rated Power (hp)	23
Measured PTO Power (kw)	14.5
Max Output Speed (rpm)	3600
Max Torque (N.M)	42
Idle Speed (rpm)	1440
Starting System	Electric
Engine Oil Capacity (L)	1.5
Recommended Oil	SAE 10w-30
Fuel Tank Capacity (L)	N/A
Fuel Consumption (G/kw/hr)	374 (max power)
Packing Dimensions (cm) LxWxH	47x43x46
Net Weight (Kg)	43.5
Emissions	EPA
